

#### Top 5 reasons to advertise with UrbanSac.com:

1. **Selective promotion.** UrbanSac.com limits skyscraper ad space to a maximum of only ten businesses. This guarantees your business will get top billing rather than drowning in a sea of ads.
2. **Multiple-page visibility.** Your UrbanSac.com ad will run on every page of the site. The average UrbanSac.com reader views 4.79 pages and stays on the site for 3 minutes and 57 seconds ... and your ad will be on *every one* of these pages for the duration of their visit.
3. **We'll handle the design for you.** UrbanSac.com will design an ad for your business incorporating the advertising style that best suits your goals and allows you to really share information with readers.
4. **Capture a growing audience.** Since its launch on October 15, 2009, UrbanSac.com's traffic has enjoyed over a 200% increase per month.
5. **Targeted audience.** UrbanSac.com is the best way to loop into a hyper-local network, created to support business in the downtown area. We are strictly Old Sac to East Sac.
